

Hiroshima University is launching an international open call for one faculty member (professor) in the field of Probability Theory in accordance with the University's "Policy on the recruitment and development of outstanding university faculty members - to make Hiroshima University a university where young faculty members feel at ease".

Hiroshima University provides an environment in which faculty members can conduct research activities independently through the assignment of mentor teachers and other measures.

We welcome applications from motivated individuals who agree with the philosophy, long-term vision and mid-term goals of Hiroshima University (<https://www.hiroshima-u.ac.jp/about>) and who will play a leading role in education and research at Hiroshima University.

Mitsuo Ochi, President of Hiroshima University
