Terms of Use

Purpose

· These Terms of Use set forth matters entered into between the applicant and the University ("the University") via the Online Application service ("the Service").

Applicant

· The application must be completed by the person applying or the guardian of the person applying.

Finalization of application

· An application submitted via the Service shall be finalized upon receipt by the University, providing the Applicant has registered correct application details via the Service requested by the University.

· If the Applicant does not provide the University with all the details and documents required for application, the application shall not be accepted.

Please proceed to the application procedure
