

Practicing Peacebuilding the

Peacebuilding and Infrastructure

Dr. Nishida Osamu, Former Executive Director of JICA Chugoku Center, has a lot of experiences of international cooperation in infrastructure projects, particularly of road transportation, in conflict affected areas. During his tenure as Director of JICA Chugoku Center, he organized a series of inter-disciplinary and interdisciplinary seminars including seminar with practitioners, civil services and academicians. He studied the various tangible effects of peacebuilding assistance and argues both positive and negative impacts.

紛争影響地域における、特に道路交通の分野での社会基盤整備に豊富な経験を持つJICA中国センター元所長の西宮氏は、任期中、実務家や公務員、研究者との領域横断型・組織横断型の平和構築研究会を組織されました。同氏は平和構築支援の持つ様々な具体的影響を研究し、そのプラス面やマイナス面を分析しています。

No registration required just to attend the lecture.
