Other (

Prefectural/Municipal/Private))

() grade

No one is at home to supervise the relevant child because both parents are at work.

Reason why you
need child care
services

No one is at home to supervise the relevant child because I am a working single parent.

Other (If any of the above-mentioned reasons does not apply, please provide details.

(

)

Enrollment in a local
after-school care
center

Enrolled

)

Not enrolled

(Reason:

)

Enrollment in an
accident insurance
plan

(Attention) Enrollment in an accident insurance plan is indispensable for enrollment in the Kodomo Club.

Hiroshima Prefectural PTA Elementary and Junior High School Students' Comprehensive Insurance Plan

Hiroshima City Municipal PTA Elementary and Junior High School Students' Comprehensive Insurance Plan

Other(accessory contract, etc.)

)

I want to have even one child enrolled.

If simultaneous enrollment of siblings is not possible, I will decline the application.

I might order bento lunch.

I might not order bento lunch.

* This is a preliminary survey to give the lunch supplier a rough estimate.

2. This is not a lunch order form. Note that a lunch order will be taken on the day your child attends the Kodomo Club.
