Find out more here:

What is it?

A Science Cafè is an event where everyone can get together and hear about interesting research or scientific discoveries over a cup of coffee!

It is also an interactive event, so come with the questions you've always wanted to ask a scientist!

When and Where?

One Cafè (beside the student plaza)

17.45- Doors Open

Please arrive at 17.45 to allow the speaker to start on time

18.00 - 18.50- Presentations and Questions

There will be a 10 min break between each of the 3 speakers

19.00- Event End

Details?

No entry fee or registration required, but to keep this event free each participant must purchase a drink from the One Cafè.

You can also bring your own soft drinks and snacks!

Organized by the Office of Academic Research and Industry-Government Collaboration
