A diagram of a rectangular box with a dashed top boundary and solid bottom and side boundaries. The top boundary is divided into four segments labeled B, B, F, and B from left to right. The bottom boundary is divided into three segments labeled Q, Q, and Q from left to right. A vertical line segment on the left side is labeled Q. A horizontal line segment on the bottom boundary is labeled Q.

Diagram illustrating a rectangular box with a dashed line on the left side. Inside the box, the labels are arranged vertically: 'B' at the top, followed by 'V', 'MF', and 'B' at the bottom. To the right of the 'V' and 'MF' labels, there is a small 'B' label.
