## Specifications for Major Program

Name of School (Program) [School of Law, Program of Law, Day Course]

Program name (Japanese)  (English)	ビジネス法務プログラム Business Law Program
<p>1. Degree:</p> <p>This program shall confer a bachelor's degree in law. Students are required to choose subjects from the class subject group for this Program that will give 124 credits, in line with the registration standards.</p>	
<p>2. Outline</p> <p>With the Business Law Program, students aim to systematically understand the various problems that companies face in globalized modern society from a legal point of view, and to acquire the foundations of abilities and skills to perform practical work as a member of a corporate organization. As the basis of these aims, students will develop basic abilities that can be applied in various fields, and will become human resources with a healthy social concern and a specific legal grounding.</p> <p>In this Program, students will gradually build on their studies as they proceed with understanding the meaning of subject groups through introductory subjects in the first year (introduction), become grounded in the basics needed for basic specialized subjects in the second year (basics), acquire the ability to apply skills and practical abilities through specialized subjects and specialized seminars in the third and fourth years (application), and generalize the Program through integrated subjects in the fourth year (integration).</p>	
<p>3. Diploma policies (degree conferment and Program attainment goals)</p> <p>The Business Law Program shall develop human resources who can demonstrate a legal understanding of corporate activities and excellent abilities in related practical work involving private and other types of business.</p> <p>To this end, this Program will confer a bachelor degree in law on students who have acquired the abilities listed below through obtaining the standard number of credits set in the curriculum.</p> <ul style="list-style-type: none"> <li>• To be able to discern social problems from a broad perspective,</li> <li>• To be able to analyze various problems in companies from a global perspective under current legislation, and</li> <li>• To be able to propose detailed solutions based on logical thinking and to execute practical work.</li> </ul>	
<p>4. Curriculum policies (policies for organizing &amp; providing curricula)</p> <p>The Business Law Program shall organize and provide curricula with the following policies to enable students to attain the goals of this Program.</p> <ul style="list-style-type: none"> <li>• In the first year, students will take basic specialized subjects (such as _____, “General Provisions of Civil Code 1 _____ 2 ), and will be introduced to the programs offered by the School of Law.</li> <li>• In the second year, students will choose a program, and will solidify the foundations for reaching the goals of this Program by taking politically- and socially-oriented specialized subjects and by participating in basic seminars.</li> <li>• In the third and fourth years, students will _____ develop their ability to apply what they have learned to analyzing problems in companies and related f _____ field</li> </ul>	

of expertise, and
