For entrants in FY 2022

Appended Form 1

Specifications for Major Program

Name of School (Program) [School of Letters, Humanities]

Program name (Japanese)	
(English)	Japanese and Chinese Languages and Literatures

1. Degree: Bachelor of Arts

2. Outline

The Program of Japanese and Chinese Languages and Literatures educates students to be able to compare the characteristics of language and literature of both Japan and China so they can explore the various facets of interrelation between the two in order to gain a new understanding and grasp both as a whole and form a wider perspective.

For the field of Japanese Language and Literature, the Program provides students with the opportunity to study and research subjects regarding classic literature from ancient to early modern times, modern and contemporary literature, and Japanese linguistics.

For the field of Chinese Language and Literature, students have the opportunity to study subjects such as literary works from ancient to the present times, history of characters, particularity of expressions, and phonology.

3. Diploma policies (degree conferment policy & Program attainment goals)

abilities and expertise mainly in the field of humanities, who accurately look in modern society based on their acute . To implement this principle, the School of Letters educational goals are ies; to deepen basic research in the areas of expertise; to always pay attention to new research fields and interdisciplinary fields; to actively promote wide-ranging research; to activate research always with a keen awareness of problems for modern society; to enhance foreign language proficiency; to acquire an information processing ability in line with the necessity of the areas of expertise; to cultivate modesty and flexibility in order to engage in constant self-improvement; and to foster an attitude to learn about human history an

In this Program, based on these educational principles and goals, we set the following attainment goals:

(1) To acquire a wide range of basic academic skills and expertise regarding Japanese and Chinese language and literature;

(2) To understand the results and methodologies of established research in each specialized field (Japanese language and literature & Chinese language and literature); and

(3) To advance the fundamental research in each specialized field and acquire the necessary ability to actively pioneer research in new areas and interdisciplinary fields with a keen sensitivity towards the issues of contemporary society.

To be awarded a degree after completing the curriculum in this Program, which is designed to attain these goals, students are required to meet the following conditions:

(1) Students shall be enrolled in this Program for a prescribed period, and shall acquire the prescribed number of credits by completing class subjects set by this Program, and

(2) Students shall develop a deep insight into human culture through the collection, analysis, and critical consideration of sourcebooks and historical materials, and shall prepare and submit their own theses.

4. Curriculum policies (Policies for organizing & providing curricula)

This Program organizes and implements the following curricula to achieve the educational principles and educational goals of the School of Letters, as well as to attain the goals of this Program:

(1) Students shall take liberal arts education subjects to acquire a broad education that provides the basis for specialized research, foreign language abilities, information processing ability, and a broad perspective on human problems such as peace-related problems in an interdisciplinary fashion,

(2) Students shall be assigned to the educational program & the field of expertise in the second year, and shall take subjects for specialized lectures to acquire a basic knowledge and understanding on their respective fields of expertise,

(3) Students shall take participatory and small-class subjects for specialized seminars (such as basic seminars and advanced seminars) in the third year to acquire the ability to comprehend the source materials, the ability to investigate materials, research methods, and the ability to perform logical analysis, and

(4) Students shall refine their creative and multifaceted analytical abilities under the guidance of faculty members in their fourth year, and after deciding on the theme of their theses, shall prepare their graduation theses as a compilation of their studies in the Bachelor Program.

5. Start of the Program & specialized field / admission conditions

S

the first year using their registration for subjects after enrollment at this University as a reference.

Students enrolled via the Splendor (Hikari Kagayaki) Entrance Examination Comprehensive Selection Type will be assigned to the program for which they took examination.

(1) Submission of a notice of choice

Submit your notice of choice and written reasons for choosing the educational program and field of expertise by the last day of January in the first year.

(2) The method of screening applicants shall be based on the following items.

When the number of applicants is within the number of students to be accepted: Accept all applicants as requested

When the number of applicants exceeds the number of students to be accepted: Accept the students with the top academic achievements until the number of students to be accepted is fulfilled.

Students who are not accepted for their first choice will be accepted for their subordinate choices within the number of students to be accepted by the order of their academic achievements.

6. Qualification(s)

Type-1 Junior High School Teaching License (Japanese, Social Studies, English, German, and French)

Type-1 High School Teaching License (Japanese, Geography & History, Civics, English, German, and French)

Qualification for a curator

7. Class subjects and class content

* See the Table of Registration Standards on Attached Sheet 1 for your class subjects.

* See the syllabus announced in each fiscal year for the class content.

8 Academic achievements

At the end of each semester, evaluation criteria will be shown with a clear indication of attainment standards

Attached table (related to Paragraph 3, Article 4 of the Detailed Regulation)

Curricula of School of Letters

No. of credits required for graduation: 124 (liberal arts education subjects: 40 credits, specialized education subjects: 84 credits)
