Blank rounded rectangular header area.

Main content area containing three distinct sections, each with a vertical bar on the left and a downward-pointing triangle separator.

- Section 1 (Top):** Features three horizontal bars on the left. The top bar is connected to a rounded rectangle on the right. The middle bar is connected to a larger rounded rectangle on the right. The bottom bar is connected to another rounded rectangle on the right. A QR code is positioned to the right of the top bar.
- Section 2 (Middle):** Features two horizontal bars on the left. The top bar is connected to a rounded rectangle on the right. Below the bars, there is a small rounded rectangle, a small white box, and another rounded rectangle, all connected to a large downward-pointing triangle.
- Section 3 (Bottom):** Features three horizontal bars on the left. The middle bar is connected to a rounded rectangle on the right. The bottom bar is connected to a rounded rectangle on the right.
