

## A Grant for Taking an English Proficiency Test in the Academic Year 2022 2022

We will accept applications for a grant as shown below for taking English proficiency tests. This grant aims at improving student English skills to further promote participation in international conferences, research activities and international exchanges.

### 1. Application Eligibility

Applicants must be master's or doctoral students enrolled at Quantum Matter Program, Graduate School of Advanced Science and Engineering.

### 2. Tests Applicable for the Grant

In principle, the TOEIC® official test, but other English proficiency tests are also applicable.

### 3. Application Requirements and Amount of the Grant

- 1) One person is allowed to make an application for this grant once a year.
- 2) Regardless of kinds or types of the English proficiency tests, all amount of actual test fee will be granted.

### 4. Application Period

From October 1, 2022 to January 31, 2023

### 5. How to Apply

Please fill out an application form, attach the receipt of test fee and get a confirmation seal from your supervisor. Submit the application form with the receipt and reimbursement invoice form to the Student Support Office of the Quantum Matter Program by 6. Application Deadline . (9:00 ~ 12:00, 13:00 ~ 17:00)

After taking the test, submit the score certificate to the Office. The grant will be paid after the score certificate is submitted.

### 6. Application Deadline

Application form, receipt and reimbursement invoice form: last weekday before the test date (Applications after taking test will not be accepted.)

Score certificate should be submitted within one week after you receive it.

### 7. Other

Hiroshima University's Institute for Foreign Language Research and Education offers the information for English learners. <http://www.hiroshima-u.ac.jp/flare/service>

We recommend that applicants take these courses to get well-prepared for a test.
