

**Hiroshima University (HU) herewith makes an open international job offer and seeks to appoint Professor with tenure in the research area of Epidemiology, Infectious Disease Control and Prevention (Hygiene). This position is based on the 'Policy for recruiting/cultivating excellent faculty members'.**

**By assigning a mentor to each newly-recruited faculty member, HU continues to develop an environment where such faculty member can engage himself/herself in research activities independently.**

**We are looking forward to welcoming those who are prepared to go along with the principles, long-term vision and medium-term target of HU (<https://www.hiroshima-u.ac.jp/en/about>), and who are motivated and can play key roles by committing themselves to research and education at HU.**
