For entrants in AY 2024

Appended Form 1

Specifications for Major Program

Name of School (Program) [School of Letters, Humanities]

Program name (Japanese)	
(English)	Japanese and Chinese Languages and Literatures

1. Degree: Bachelor of Arts

2. Outline

The Program of Japanese and Chinese Languages and Literatures educates students to be able to compare the characteristics of language and literature of both Japan and China so they can explore the various facets of interrelation between the two in order to gain a new understanding and grasp both as a whole and form a wider perspective.

For the field of Japanese Language and Literature, the Program provides students with the opportunity to study and research subjects regarding classic literature from ancient to early modern times, modern and contemporary literature, and Japanese linguistics.

For the field of Chinese Language and Literature, students have the opportunity to study subjects such as literary works from ancient to the present times, history of characters, particularity of expressions, and phonology.

3. Diploma policies (degree conferment policy & Program attainment goals)

abilities and expertise mainly in the field of humanities, who accurately look in modern society based on their acute . To implement this principle, the School of Letters educational goals are ies; to deepen basic research in the areas of expertise; to always pay attention to new research fields and interdisciplinary fields; to actively promote wide-ranging research; to activate research always with a keen awareness of problems for modern society; to enhance foreign language proficiency; to acquire an information processing ability in line with the necessity of the areas of expertise; to cultivate modesty and flexibility in order to engage in constant self-improvement; and to foster an attitude to learn about human history an

In this Program, based on these educational principles and goals, we set the following attainment goals:

(1) To acquire a wide range of basic academic skills and expertise regarding Japanese and Chinese language and literature;

(2) To understand the results and methodologies of established research in each specialized field (Japanese language and literature & Chinese language and literature); and

(3) To advance the fundamental research in each specialized field and acquire the necessary ability to actively pioneer research in new areas and interdisciplinary fields with a keen sensitivity towards the issues of contemporary society.

To be awarded a degree after completing the curriculum in this Program, which is designed to attain these goals, students are required to meet the following conditions:

(1) Students shall be enrolled in this Program for a prescribed period, and shall acquire the prescribed number of credits by completing class subjects set by this Program, and

Specialized Education Subjects　　Program of Japanese and Chinese Languages and Literatures

Type	Class subjects	Semester	Credits	Type of course registration	Remarks
