Appended Form 1

Specifications for Major Program

Name of School (Program) [School of Letters, Humanities]

Program name (Japanese)	欧米文学語学・言語学プログラム
(English)	British, American, and European Languages and Literatures, and Linguistics

1. Degree: Bachelor of Arts

2. Outline

The Program of British, American, and European Languages and Literatures, and Linguistics is designed to develop human resources who conduct research on linguistics that places more importance on linguistic elements of British and American language and literature, German language and literature, French language and literature, and other languages from the perspective on cultural pluralism suitable for the 21st century; and who, with a deep international and humanistic approach, can understand the cultural systems of the world from a multifaceted perspective by developing linguistic abilities and through the diversity and pluralism of the culture of language representation.

Specifically, students will acquire communication skills in English, German, French, or other languages, as well as train their sharp sensibilities and deep analytical abilities for different cultures through studying literary works and doing cultural research in each language. Through the preparation of their discussion reports and graduation theses, students will develop the flexible and logical thinking abilities needed to adapt to a multicultural society, acquire a relative and multifaceted perspective, and develop their ability to create clear logical structures and the ability to form sentences.

3. Diploma policies (degree conferment policy & Program attainment goals)

School of Letters adopts to foster unique human resources with rich human nature who have broad basic academic abilities and expertise mainly in the field of humanities, who accurately look in modern society based on their acute . To implement this principle, the School of Letters educational goals are to inherit traditional research findings and methodologies; to deepen basic research in the areas of expertise; to always pay attention to new research fields and interdisciplinary fields; to actively promote wide-ranging research; to activate research always with a keen awareness of problems for modern society; to enhance foreign language proficiency; to acquire an information processing ability in line with the necessity of the areas of expertise; to cultivate modesty and flexibility in order to engage in constant self-improvement; and to foster an attitude to learn about human history and to value the

In this Program, based on these educational principles and goals, we set the following attainment goals:

(1) To acquire broad and basic academic abilities and expertise on American, British, German, and French literature, language, ideas, art, and culture, or on various languages in the world,

(2) To use advance research findings to acquire methodology in each field of expertise, such as American and British Literature and English Philology and Linguistics, German Literature and Language, and French Literature and Language, and Linguistics,

(3) To deepen basic research in each area of expertise, and to develop unique literaryrea of ings nd

presentation and by preparing a thesis.

To be awarded a degree after completing the curriculum in this Program, which is designed to attain these goals, students are required to meet the following conditions:

(1) Students shall be enrolled in this Program for a prescribed period, and shall acquire the prescribed number of credits by completing class subjects set by this Program, and

(2) Students shall develop a deep insight into human culture through the collection, analysis, and critical consideration of sourcebooks and historical materials, and shall prepare and submit their own theses.

4. Curriculum policies (Policies for organizing & providing curricula)

This Program organizes and implements the following curricula to achieve the educational principles and educational goals of the School of Letters, as well as to attain the goals of this Program:

(1) Students shall take liberal arts education subjects to acquire a broad education that provides the basis for specialized research, foreign language abilities, information processing ability, and a broad perspective on human problems such as peace-related problems in an interdisciplinary fashion,

(2) Students shall be assigned to the educational program & the field of expertise in the second year, and shall take subjects for specialized lectures to acquire a basic knowledge and understanding on their respective fields of expertise,

(3) Students shall take participatory and small-class subjects for specialized seminars (such as basic seminars and advanced seminars) in the third year to acquire the ability to comprehend the source materials, the ability to investigate materials, research methods, and the ability to perform logical analysis, and

(4) Students shall refine their creative and multifaceted analytical abilities under the guidance of faculty members in their fourth year, and after deciding on the theme of their theses, shall prepare their graduation theses as a compilation of their studies in the Bachelor Program.

5. Start of the Program & specialized field / admission conditions

Second year / Respecting choice, we will use the following method to screen students at the end of the first year using their registration for subjects after enrollment at this University as a reference.

Students enrolled via the Splendor (Hikari Kagayaki) Entrance Examination Comprehensive Selection Type Ⅱ will be assigned to the program for which they took examination.

(1) Submission of a notice of choice

Submit your notice of choice and written reasons for choosing the educational program and field of expertise by the last day of January in the first year.

(2) The method of screening applicants shall be based on the following items.

・When the number of applicants is within the number of students to be accepted: Accept all applicants as requested

・When the number of applicants exceeds the number of students to be accepted: Accept the students with the top academic achievements until the number of students to be accepted is fulfilled.

Students who are not accepted for their first choice will be accepted for their subordinate choices within the number of students to be accepted by the order of their academic achievements.

6. Qualification(s)

・Type-1 Junior High School Teaching License (Japanese, Social Studies, English, German, and French)

・Type-1 High School Teaching License (Japanese, Geography & History, Civics, English, German, and French)

・Qualification for a curator

7. Class subjects and class content

* See the Table of Registration Standards on Attached Sheet 1 for your class subjects.

* See the syllabus announced in each fiscal year for the class content.

8. Academic achievements

At the end of each semester, evaluation criteria will be shown with a clear indication of attainment standards according to the evaluation items for academic achievements.

numerically converted evaluations of their academic achievements (S = 4, A = 3, B = 2, and C= 1) in each subject being evaluated.

Evaluation of academic achievement	Converted value
S (Excellent: 90 points or higher)	4
A (Superior: 80 89 points)	3
B (Good: 70 79 points)	2
C (Fair: 60 69 points)	1

Academic achievement	Evaluation criteria
Excellent	3.00 4.00
Very Good	2.00 2.99
Good	1.00 1.99

For the details of the evaluation method of academic achievements in this Program:

* See the relationships between the evaluation items and evaluation criteria on Attached Sheet 2.

* See the relationships between the evaluation items and class subjects on Attached Sheet 3.

* See the Curriculum Map on Attached Sheet 4.

9. Graduation thesis (graduation research) (placement and time of assignment & method)

Placement

With the graduation thesis positioned as the goal of this Program, students will be required to acquire four credits for Guidance on Graduation Theses, and eight credits for their graduation thesis. Your graduation thesis is a compilation of your academic achievements in this Program. The purpose of preparing a graduation thesis is to confirm the level of your academic achievements in this Program and to allow for further studies after graduation.

Time of assignment and method to prepare a graduation thesis

In the first semester of the fourth year, based on the research theme each student selects in advance, students will select the faculty member who will provide guidance on their graduation thesis, and submit the title of their graduation thesis at the end of October, and the graduation thesis itself at the end of January.

10. Responsibility system

PDCA responsibility system (

The Faculty Council of the Program of British, American, and European Languages and Literatures, and Linguistics shall be responsible for planning, implementing, reviewing the evaluation of and carrying out any measures required for this Program. The university-wide Educational Quality Assurance Committee shall review the evaluation of and carry out any required measures for this Program from outside this Program.

Attached table (related to Paragraph 3, Article 4 of the Detailed Regulation) Sheet 1

Curricula of School of Letters

No. of credits required for graduation: 124 (liberal arts education subjects: 40 credits, specialized education subjects: 84 credits)

Liberal arts education subjects
