

**Hiroshima University (HU) herewith makes an open international job offer and seeks to appoint Professor with tenure in the research area of Medical Biochemistry/Cell Biology. This position is based on the ‘Policy for recruiting/cultivating excellent faculty members’.**

**By assigning a mentor to each newly-recruited faculty member, HU continues to develop an environment where such faculty member can engage himself/ herself in research activities independently.**

**We are looking forward to welcoming those who are prepared to go along with the principles, long-term vision and medium-term target of HU (<https://www.hiroshima-u.ac.jp/en/about>), and who are motivated and can play key roles by committing themselves to research and education at HU.**

**Mitsuo Ochi, President of Hiroshima University**
