https://jijii.hiroshina-u.ac.jp/ami/salary_system/index.html

- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

Hiroshima University has introduced a system whereby researchers' personal expenses are paid out of direct expenses such as competitive research grants and joint research grants, and the obtained research financial resources can be used to improve the treatment of researchers themselves (Additional Salary) and to improve the research environment.

We conduct individual performance evaluations for all Hiroshima University faculty members after their employment, numerically rate their performance, and salary and benefits are commensurate with performance indicators.

Hiroshima University

- (1) Probationary employment period: six (6) months
- (2) Personal information obtained from application documents will not be used or provided to any third party for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.
- (3) The retirement age is 65 years old.
- (4) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty member as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center, and institute.
- (5) Faculty members may also be assigned to teaching and/or research activities in other organizations of Hiroshima University and university-wide projects.
- (6) For each specialized field of faculty, Hiroshima University has defined Minimum Standards for hiring new faculty ("the minimum standards"). We use the minimum standards for the initial screening process of the applicants, and only those who have exceeded the minimum standards will qualify as the candidates for the post concerned. The minimum standards used for this international job offer can be viewed by clicking the following URL link: <https://www.hiroshina-u.ac.jp/en/employment/kyoukai/cho/>
- (7) HU provides other employment information (research job, desk job, etc.). If your spouse wishes to work for HU, please refer to the following URL link: employment information <https://www.hiroshina-u.ac.jp/en/employment/>
- (8) Hiroshima University has been entirely smoke-free since January 2020.
