QTA

About QTA qualification:

Students who enrolled in a degree-seeking program(Undergraduate degree program, Master’s degree program, Doctoral degree program,) will acquire QTA qualification when they complete the Qualifying TA program.

In addition, for students advancing to the next level of education, if they complete the QTA program one month before advancing (for example, advancing to the next level of education in April 2025 and obtaining the QTA qualification in March 2025), they will obtain QTA qualification from the date they enroll in the new degree-seeking program.

The qualification will remain valid until the date the students leave the degree-seeking program they advance to.
