

Announcement of Faculty Position
Institute of Biomedical & Health Sciences, Hiroshima University, Japan

August 24, 2016

Hiroshima University has been selected as one of the 13 Type A (top type) universities under the fiscal 2014 program to support the creation of super global universities. Hiroshima University aims to become one of the global top 100 universities by continuously producing global talents and creating knowledge while promoting university reforms centering on the twin pillars of educational and research capabilities.

Institute of Biomedical & Health Sciences, Hiroshima University invites applications for one associate professor position. The associate professor will be in charge of the education of pharmaceutical sciences, and the research of carcinogenesis and nucleic acid medicines associated with the Innovative Drug Discovery & Development Project.

9. Application Deadline

All application documents must reach us by 5 p.m. on September 26, 2016 (Japan Standard Time).

10. Address to Which to Send Application Documents

All application documents should be sent by registered mail to:

Personnel Affairs, General Affairs Group, Kasumi Campus Management Support Office,
Hiroshima University

1-2-3, Kasumi, Minami-ku, Hiroshima 734-8553, JAPAN

- * Write in red "Application (Nucleic Acids Biochemistry)" on the envelope.
- * Submitted application documents will not be returned.
- * Please submit CD-R with "Form2" saved in Word format.

11. Selection Procedures

- (1) The screening will be based on application documents.
- (2) Applicants screened by submitted documents may be invited for an interview as needed. The interview will include a mock lesson in English. In such a case, please note that no travel expenses will be provided. If we hold the interview, we will inform them of the details.
- (3) Hiroshima University promotes the gender-equality. In accordance with the spirit of the Basic Law for a Gender-Equal Society, our university will recruit a female applicant rather than a male applicant when their achievements (including research achievements, academic achievements, societal contributions, etc.) and characters are considered as equivalent.

12. Salary, etc.

- (1) The annual salary system will be applied to successful candidates.
(Regulations Concerning Salaries of Hiroshima University Faculty Members Employed under Annual Salary System will be applied.)
- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

13. Evaluation

We conduct performance evaluations for all faculty members after their employment. The scored result will be reflected in their treatment.

14. Additional Remarks

- (1) Personal information obtained from application documents will not be used or provided to any third parties for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.
- (2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center and institute.
