

Announcement of Faculty Position
Institute of Biomedical & Health Sciences, Hiroshima University, Japan

February 15, 2017

Hiroshima University has been selected as one of the 13 Type A (top type) universities for the creation of super global universities. Hiroshima University aims to become one of the global top 100 universities within the next 10 years by continuously fostering global leaders and creating knowledge while promoting university reforms centering on the twin pillars of educational and research capabilities.

The Institute of Biomedical & Health Sciences, Hiroshima University seeks applicants for one (1) assistant professor position. The applicants are expected to take part in undergraduate and graduate education in the field of oral and maxillofacial radiology. In the Division of Oral and Maxillofacial Radiology, Hiroshima University Hospital, the applicants are required to join clinical services or medical support and training programs for undergraduates and residents on a daily basis. It is further expected of the applicants to perform scientific research with a specific focus on applying state-of-the-art imaging technologies to clinical dentistry and/or evaluation of oral functions, having a strong intention to collaborate with investigators in diverse fields. In graduate programs, the applicants are encouraged to direct graduate students for their dissertation research and manuscript preparation.

We would appreciate if you send this announcement to relevant audiences. Also, we would be grateful if you could recommend someone who meets our requirements or encourage competent candidates to apply for this position.

1. Affiliation (Appointment):

1-2-3, Kasumi, Minami-ku, Hiroshima 734-8553, JAPAN

- * Write in red "Application (Oral and Maxillofacial Radiology)" on the envelope.
- * Submitted application documents will not be returned.
- * Please submit CD-R with "Form2" saved in Word format.

11. Selection Procedures

- (1) The screening will be based on application documents.
- (2) Applicants passing the screening may be invited for an interview as needed. The interview will accompany a trial lecture in English. In such a case, please note that no travel expenses will be provided. When we have an interview, we will inform applicants of the details individually.
- (3) Hiroshima University promotes the gender-equality. In accordance with the spirit of the Basic Law for a Gender-Equal Society, our university will recruit a female applicant rather than a male applicant when their achievements (including research achievements, academic achievements, societal contributions, etc.) and characters are considered as equivalent.

12. Salary, etc.

- (1) The annual salary system will be applied to successful candidates.
- (2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

13. Evaluation

We conduct performance evaluations for all faculty members after their employment. The scored result will be reflected in their treatment.

14. Additional Remarks

- (1) Personal information obtained from application documents will not be used or provided to any third parties for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.
- (2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center and institute.
