

**Announcement of Faculty Position**  
**Graduate School of Biomedical & Health Sciences, Hiroshima University, Japan**

June 5, 2017

Hiroshima University has been selected as one of the 13 Type A (top type) universities under the fiscal 2014 program to support the creation of super global universities. Hiroshima University aims to become one of the global top 100 universities by continuously producing global talents and creating knowledge while promoting university reforms centering on the twin pillars of educational and research capabilities.

Graduate School of Biomedical & Health Sciences, Hiroshima University invites applications for one professor position. On the education side, we are seeking candidates who have a wide range of academic background in Pharmaceutical Core Curriculum and its cutting-edge trend, and be able to teach Pharmaceutical Health Sciences. On the study side, we are seeking candidates who can take a core role in Drug Discovery and Development Project through drug toxicity/safety research, and can be in charge of Regulatory Science and conduct policy proposal based on research outcome to make a contribution to society.

#### 10. Selection Procedures

(1) The screening will be based on application documents.

(2) Applicants screened by submitted documents may be invited for an interview as needed. The interview will include a mock lesson in English. If we hold the interview, we will inform them of the details.

(3) Hiroshima University promotes the gender-equality. In accordance with the spirit of the Basic Law for a Gender-Equal Society, our university will recruit a female applicant rather than a male applicant when their achievements (including research achievements, academic achievements, societal contributions, etc.) and characters are considered as equivalent.

#### 11. Salary, etc.

(1) The annual salary system will be applied to successful candidates.

(Regulations Concerning Salaries of Hiroshima University Faculty Members Employed under Annual Salary System will be applied.)

If you are continuously employed at Hiroshima University after your retirement from another national university corporation or organization equivalent whose period of employment based on calculation of retirement allowance can be added, you shall choose monthly salary system. (Regulations Concerning Salaries of Hiroshima University Faculty Members Employed will be applied.)

(2) Successful candidates may be reimbursed for travel expenses incurred for the trip from their home or former place of work to the new place of work to assume their post in accordance with the relevant regulations of Hiroshima University. For more information, please contact us.

#### 12. Evaluation

We conduct performance evaluations for all faculty members after their employment. The scored result will be reflected in their treatment.

#### 13. Additional Remarks

(1) Personal information obtained from application documents will not be used or provided to any third parties for purposes other than the necessary procedures related to personnel affairs, salary, and welfare.

(2) All the faculty members of Hiroshima University belong to the "Academy", which is the single university-wide faculty organization, and each faculty as a member of the Academy of the

University is appointed to educational and/or research organizations such as an individual undergraduate school, graduate school, research center and institute.
