

## The 89<sup>th</sup> Regular Press Conference by the President: First Release

---

27<sup>th</sup> July 2017 (H29)

As the day to mark the seventy-second Anniversary of the Atomic Bombing is upon us, here we announce those events hosted by Hiroshima University.

On 2<sup>nd</sup> August, the Institute for Peace Science Hiroshima is holding an international symposium.

On 6<sup>th</sup> August, HU Memorial Service for the Victims of the Atomic Bomb is held to console the forerunners who experienced the bomb attack and lost their lives.

Following the memorial service, there will be a Hiroshima University lecture meeting to which Ms. Izumi Nakamitsu, who is the first Japanese female to have been appointed to the Under-Secretary-General and High Representative for Disarmament Affairs, is invited.

object embedded with gravel from the Motoyasu River) followed by a session for opinion exchanges by the students on the topic of peace.
